

IS VW 180

Product Data Sheet

The IS VW 180 2-way component kit is designed for all drivers who wish to replace their original audio system with a quality sound solution. The speaker drivers employ Polyglass technology, which delivers well-defined midrange and bass. The Aluminium inverted dome tweeter, a Focal technology, provides perfect treble reproduction. This kit is designed for vehicles that have tweeter slots.

Key Points

- Quick and easy install
- No modifications needed on the vehicle
- Invisible integration
- Increased sound quality
- No additional accessories required
- Large emissive surface delivering deep bass
