

SLATEFIBER PC 165 SF

MADE IN
FRANCE

Fiche Produit

The 6^{1/2}" (16.5cm) 2-way coaxial Slatefiber kit can be summed up in one word: efficiency. This product incorporates the essence of Focal's latest technologies to deliver performance, reliability and French manufacturing. With standard dimensions and a smart design, it can be installed in most vehicles on the market without the need for an additional dedicated amplifier. However, you can still link these speaker drivers to an amplifier if you want to get the very best performance out of them.

Key points

- Made in France in the Focal workshops
- High power handling for intensive use
- Little amplification requirements due to high sensitivity
- Tough design and high quality materials
- Flexible installation and usage options

Type	2-way coaxial kit
Woofers	165mm
Depth	70mm
Cone	Slatefiber
Maximum power	160W
Nominal power	80W RMS
Sensitivity (2.83V/1m)	91dB
Frequency response	60Hz - 21kHz
Impedance	4 Ω
Voice-coil diameter	25mm
Magnet	Ferrite
Suspension	Butyl
Tweeter	Aluminium/Magnesium inverted dome tweeter
Crossover	Integrated
